OFFICE ORDER

As all are well aware that Basketball & Volleyball courts adjoining the residential blocks are under construction. It has been observed that children/ students and other staff members are using the space by tress passing, though the grounds are still incomplete and lot of work is yet to be done before they are made functional.

All the faculty members/ Residents/Medical officers /Students /Medical and para Medical Staff and administrative staff are requested to do not use the incomplete ground and to not allow their children to enter into that particular space, as it will damage the layers laid on the surface /work already done. Non Compliance of these order will be viewed seriously and action will be taken against the defaulter as per rule.

Principal,
SLBS Govt. Medical College
Mandi at Nerchowk, H.P.
